April 2022

Dear Split Rock Cottage Owner,

We are FINALLY returning to normal and look forward to a full season of events for the coming summer. The board members have met and set a tentative calendar of dates for getting together with old friends and meeting our many new neighbors.

Everyone should have by now received their activity membership postcards from the resort. We feel that the resort listened to our concerns and made some concessions by making the fees more reasonable. They also communicated to everyone, by email, their road maintenance schedule and upcoming plans.

We plan to begin our return to normal by holding our annual Memorial Day Weekend events. This year we will add 6 names to our memorial stone: Betsy Kratzert, David Corson, Blaine Finkbiner, Mary Ann Tumminio, Don Todd and Louis Colasurdo. If you know of any active cottage owner who has passed away during the past year please let us know so we can make arrangements to have their names included. We will hold a prayer service at 9am on Saturday, May 28<sup>th</sup> at the Memorial Garden at the entrance of the golf course. The Memorial Day picnic and golf cart parade will follow. Information on those events is included on the flyer included in this mailing. We plan to hold beach happy hours, go to 940 golf, beer bocci and boxed wine, movie night, quizzo and Labor Day Weekend picnic as part of our summer 2022 fun.

After discussion by the board we have decided that the SRCOA membership will return to \$60.00, this will keep our bank account healthy and allow us to provide events with minimal additional cost, if any. There has been a real estate boom recently, so there are many new home owners, who are not aware of the SRCOA. If you know of a home that has sold on your street, there is a flyer on our website that you can print that explains how to join. Please pass our information along and invite and encourage new homeowners. We need to act as one community and it is important that we have an active and healthy membership to have a voice with Bel Air Collection

We continue to stay in contact with Bel Air management. Our topics of discussion have been short term rentals, roads and in general the state of the resort and what the future holds. The board is working to keep you informed as we receive updates.

This year is a directory year for the SRCOA. The directory contains contact information of our members including both at Split Rock and home addresses and phone numbers if provided. We ask that you write CLEARLY your information to be included. We hope to have the directory ready by the Labor Day picnic for distribution.

We update our mailing and e-mail lists every year so we are able to contact everyone with the latest information. The cost of a mailing has increased greatly and is time consuming. We would prefer corresponding with our members by e-mail. Email allows us to get information and event flyers out quickly. All information will still be available in hard copy to those that request it. Please indicate if you ABSOLUTELY NEED snail mail information, on your membership form.

We look forward to creating new memories and friendships and look forward to seeing everyone again.

Sincerely,

Your SRCOA Board Members
